

Poynter Primary School

Independent Public School

Chantal Seymour

Chantal commenced teaching at Poynter Primary School in 2010. Since arriving at Poynter PS, Chantal has taught year 3s and year 4s, and she is currently teaching year 4s. Chantal is a Level 3 Classroom Teacher and she is currently completing her Masters in Educational Leadership at UWA. Chantal has recently transitioned from the role of Science Curriculum Leader to Professional Learning Coordinator. She enjoys collaborating with her colleagues and participates in a number of teams, including; the Leadership Team and Poynter's Professional Learning Committee. Chantal is also a member of the English Team and she is our Lead Teacher for Brightpath and Progressive Achievement Assessment (PAT). Chantal has an interest in sustainability, and together with the Green Team, she leads the whole school composting and worm farming initiatives. Chantal enjoys spending time outdoors and she regularly utilises the Vegie Garden to provide outside, hands-on learning experiences for her students.

Chantal believes that the key to success for students is forging strong 'Habits of Mind'. She is an advocate for child centred, 'whole brain' teaching and learning. She believes it is essential that students learn to think in critical and creative ways, using their imagination, confidence and emotional and intellectual engagement as a foundation to all learning.
