

Poynter Primary School

Independent Public School

JOHN WARD

I am the father of two girls, Ella in Year 1 and Sienna who will be in Kindy next year. I would like to represent the parents of Poynter Primary on the School Board to help drive the continued high performance and growth of our school. Having grown up in rural WA, I understand the importance and benefits of a strong community that works closely with the local school.

As a Senior Manager with KPMG, I have developed a number of skills which will allow me contribute significantly as a parent representative including:

- Strong financial and commercial management;
- Excellent communication skills through working closely with Boards and management;
- Ability to work collaboratively with multiple stakeholders to achieve the best outcome for all.

For the past eight years I have been a board member of the Property Education Foundation, a not for profit organisation committed to furthering educational opportunities in the property sector, which has provided me with the practical experience of working on a Board.

As a Board Member, I will maintain the best interests of the school and the direction in which it is going, to ensure the best education opportunities for our kids.
