

# Poynter Primary School

Independent Public School

## Kristy Sanderson

I am a Secondary Health and Physical Education Teacher with 9 years' experience in Government and Anglican Schools. During this time, I also worked as Year Coordinator (pastoral care) for 5 years. I hold a Bachelor of Health and Physical Education and a Graduate Diploma in Education.

My daughter started Kindergarten at Poynter Primary this year and my son will begin in 2020. I was excited to take the opportunity while I am not working to join the School Board and learn about Education and Poynter Primary School from a different perspective.

My husband and I both grew up in small rural towns where the community and its support were strong. I believe the school community is a fantastic network and an opportunity for parents, families and educators to connect. I am a member of the P&C and a class representative, and I am looking forward to contributing to the School Board as an educator, parent and a member of the Duncraig community.
