

Poynter Primary School

Poynter PS Uniform Policy

The School Board determines, in consultation with students, their parents and staff of the school, a dress code for students when they are attending or representing the school. At the primary school level, a dress code entails a school uniform and clothing standards to cover the range of activities undertaken in a primary program.

There is an agreed expectation from the school community and staff that all children (Kindergarten to Year 6) will wear the school uniform.

Rationale

Poynter Primary School's Uniform Policy is in place to

- improve the public image of the school
- build school pride and team spirit
- enable students to identify with the school
- make sure students are appropriately dressed for specific school activities
- encourage equity among students.
